ACADEMIC REPORTING

Formal parent/teacher conferences are scheduled once a year to facilitate open communication between parents and teachers regarding students' progress. Refer to the School calendar for specific dates.

Report Cards/ Interim Progress Reports/ Parent Teacher- Conference

- Pupil Report Cards are issued to the students at the close of the 1st, 2nd, 3rd, and 4th quarters.
 - Quarter 1 report cards will be given to parents of students at Parent/ Teacher conferences (Oct. 27 and 28th).
 - Kindergarten classrooms will hold conferences (Oct. 27 and 28th), but will not send home reports for 1st quarter.
 - Grades K-8 Report Cards will be mailed
 - IPR (Interim Progress Reports) or Midterms are sent home at the conclusion of the 4th week of each quarter.

ARRIVAL & DISMISSAL

We encourage students to walk to and from school for their health and the environment. Please remember we are an elementary school. Patience at arrival and most especially, dismissal, is encouraged & appreciated!

Please remind your student that they should ALWAYS cross the street at a corner and only cross when the light indicates "walk". Also remind them to make sure cars are stopped before walking with the light.

Students should be dressed to brave the elements ~ wind, snow, rain and cold.

Arrival 8:45 a.m.

As school doors/ hallway access is not open until 8:45 am, students should not arrive early.

Safety Issues in the Parking Lot/Parent Drivers

We have many parents who drive their students to Keyser. In addition to parent drivers, we will also have at least three yellow buses. In order to make the lot as safe as possible, we ask that you adhere to the following rules:

- Traffic is one way only. The bus lane is for daycare vans and busses. All parents must use the other lane.
- Please make sure your child is ready to exit the car when you stop. This will help to prevent a line-up of cars.
- Please stop at the painted crosswalk and allow your child to get out there. There is a crosswalk in front of the main entrance. All vehicles must stop for students crossing.
- People as well as traffic cones and signs will direct you while you are in the lot.
- PLEASE ADHERE TO THESE GUIDELINES TO KEEP OUR STUDENTS SAFE!!!!

Your child should be independent enough to enter the building and go to their classroom alone. (An exception is made for Kindergarten and 1st grade students for the first few weeks of school). Staff members are stationed around the building to assist students as needed. Parents are encouraged **not** to walk their student to the classroom in the morning. Teachers are instructed to NOT hold parent-teacher conferences in the AM as they have students to supervise and the school day to prepare for. Your understanding with this is appreciated.

Students are considered tardy if they are not in their room at 9:00 am. All students may enter the building at 8:45 AM through the Main office doors and go directly to classrooms.

Dismissal - 3:00-3:10

The end of the day at an elementary school tends to become very busy. IF your child needs to be released early, please do so **before 2:30 p.m.** (and DO NOT do so on a regular basis as this goes against O.R.C. compulsory attendance laws). If your plans change from the normal procedures, **please notify the teacher via note/ agenda book; call the school office ONLY in the event of an emergency. Students MUST be picked up by 3:20 (there is no supervision after 3:25)**

ATTENDANCE

Compulsory Attendance

All educable children between the ages of six and eighteen are compelled under Ohio law to attend school unless properly excused. In accordance with this and other Ohio law and the Ohio Board of Education Standards (cited below), the following policy prescribes the manner in which any child may be excused for past absence from school for good and sufficient reasons.

The following reasons are considered **EXCUSED** for elementary students by the State of Ohio:

- 1. Personal Illness:** Certification from a physician is required if student misses **more than 10 days** a school year;
 - 2. Quarantine of the Home:** Notice by city, county, or state public health officials;
 - 3. Death of an Immediate Relative: Three day limit** unless reasonable cause has been shown for a longer absence;
 - 4. Observance of Religious Holidays**
 - 5. Emergency set of circumstances** which in the judgment of Superintendent of schools, constitutes a good and sufficient cause of absence from school. Such circumstances would include absence due to weather, other acts of God and labor stoppage.
 - 6. Other circumstances-** Includes immunization or measles exclusion, dental and medical appointment, and public performance (school sponsored) during the school day may be excused by the principal.
- **excused absences are still considered absences when considering 'perfect attendance'*

UNEXCUSED Absence:

Unexcused absences are absences that do not meet the categories described above. Vacations outside of the school calendar are unexcused absences. Make-up work for unexcused absences, suspensions, or expulsions is at the discretion of the teacher.

Excessive Absence:

Students with excessive excused and unexcused absences shall be identified and referred to the appropriate school personnel for a parent conference and/or attendance hearing.

Reporting Absences:

In accordance with The Missing Children Act (April, 1985) parents are required to contact the school whenever a student is going to be absent from school. Call the school **(419-671-1451)** to report that your student will not be in attendance. When you call, please speak slowly and clearly. Include your name, your child's name, your child's teacher's name, the date, and the reason for the absence. If the school does not receive a call and a note is not received upon your child's return to school, the absence will be unexcused. Please send in a note and any medical documentation with your child upon their return to school. **More than 10 absences requires a doctor's note. 10 consecutive or 15 absences per semester will result in a referral to TPS Pupil Personnel Office.**

Make Up Work:

If the student, confined at home for a short period of time, is physically able to do some schoolwork, please make arrangements with his/her teacher. Please give the teacher at least 24 hour NOTICE IN ORDER TO PREPARE WORK.

Early Dismissal:

Please attempt to schedule all appointments outside of the school day. We know this is not always possible, therefore, if a student must leave the building during the school day for any reason, the person picking up the child must come into the office to sign the student out of the building before 2:30 p.m..

- You must show a picture ID every time when picking up the child.
- Please make sure other authorized persons know to also bring a picture ID.
- If you know in advance your student will need to leave early, please write a note to the teacher.
- Office personnel will call the student to the office from the classroom when the parent or designee ARRIVES to the office. DO NOT go to the classroom to pick up your student.
- Students will only be released with permission from the guardian. The pickup person must be authorized or on the emergency medical card. NO EXCEPTIONS.
- Please know that early dismissals negatively affect your child's attendance; and impacts 'perfect attendance' and other earned recognitions. .

- No student will be allowed to leave the building without this procedure being followed.
- **Children cannot be picked up after 2:30 pm during the school day**

Tardy to School:

In accordance with O.R.C. and TPS Board Policy, students must be to school on time (in class at 9:00AM). The acceptable excused absence criteria apply to tardy to school infractions.

Dental and other Medical Appointments-

Try to make appointments outside the school day. When it is impossible to make appointments outside the school day, students must bring a note from home stating the time of the appointment and the time the parent wishes to pick him/her up. The absence will be excused upon return with a doctor's/dentist's slip to verify the appointment. Students are to be signed out in the office before leaving the building. (See procedure for Early Dismissal)

BUSSES

Yellow Bus Transportation:

Transportation is provided only to those students who live 1 miles or beyond from Keyser Elementary; or as facilitated by the SAC office. **Transportation is NOT provided for Out of District approved students.** Bus rules and expectations are defined by Transportation through each Bus Driver. Failure to comply with bus rules can result in suspension from the bus and/ or school discipline.

Bus Bulletin

If you would like to be sent text notifications with TPS Busing updates, you may download the EDULOG PARENT PORTAL LITE App .https://www.tps.org/departments/transportation_services

CAFETERIA

Breakfast Program-

- Breakfast is served daily in the cafeteria from 8:30 – 8:55 a.m. (There is NO BREAKFAST during a 2HR Delay)
- Students should enter through the cafeteria, Door 9.
- Breakfast is FREE for ALL students.

School Lunch Program:

Lunch is FREE for all students.

Students may bring a packed lunch from home. **No glass containers or bottles.**

There is not a microwave or refrigerator provided for students.

Students may not exit the cafeteria with open food items unless it is in a lunch bag. All food not finished will have to be thrown away unless put in a lunch bag.

Fast food is prohibited in the cafeteria.

Menus will be sent home monthly and are available at www.tps.org

Cafeteria Expectations-

Students are expected to clean-up after themselves and assist as needed in order to keep Keyser Elementary clean and beautiful.

Enter and leave the cafeteria in a quiet and orderly fashion.

Lights out indicates silence.

Students are to stay in their seats/ in the cafeteria unless instructed otherwise by an adult.

We do not allow 'trading' or 'sharing' food or drink with anyone so please be mindful of portion sizes.

ALL school rules and policies apply in the cafeteria.

Any child seen throwing food or any other objects in the lunchroom will be removed immediately and a parent will be called. Throwing any item in the cafeteria may result in discipline up to a suspension as this causes an unsafe environment in the cafeteria.

COMPUTERS

All students at Keyser have access to computers for use in the classroom and for researching information. TPS firmly believes that the valuable information and interaction available on the internet is consistent with our district's educational goals. The internet is available to our students and teachers. TPS has taken precautions to restrict access to controversial materials by providing an internet filtering system. However, this does not excuse students from searching for inappropriate or non-educational sites; accessing inappropriate music, pictures, etc. **All students must have an internet network agreement signed by a parent/guardian on file.**

COMMUNICATION

We believe it is very important to have a strong line of communication between school and home. If you ever have any questions or concerns, please do not hesitate to contact your child's teacher. If further assistance is needed please contact an administrator by calling the office. **If you wish to contact the staff via email, please utilize the directory at www.tps.org.**

*Parents: please be aware that the internet TPS security measures may place your email into a SPAM inbox. In the event that you do not receive a reply in a timely manner, please write a note/ call the school for follow up.

- **Classroom/Teacher :**

In order to ensure that all students are receiving the maximum amount of educational experience we can provide, it is not always possible to just stop by to visit the classroom or speak to administration. During instructional time we are focused on student progress and achievement.. Please understand that unscheduled visits creates an interruption to the classroom and the educational environment. We ask that you make an appointment 24 hours prior. As a reminder, when visiting a classroom, all guests must sign in at the main office with their photo ID.

As the teacher is responsible for ***all*** of the children in the class, it is very difficult to have a conversation with a parent and supervise the students at the same time. If you would like to speak to the teacher regarding your student, please write a note, call, or email your child's teachers to do so. Please do not attempt to have this type of conversation during student arrival and dismissal as the teacher needs to be focused on the safety of the students. Please be considerate of our Teacher's time/ family obligations (they are off-duty at 3:30PM)

EHSO

The Early High School Opportunity (EHSO) program began in August 2011 for 7th and 8th grade TPS students. EHSO provides an opportunity for all 7th & 8th grade students to take one course for graduation credit at their learning community high school.

Students are transported from their home elementary school at the scheduled pick up time (times range from 7:00 a.m.-7:30 a.m.) to the high school for first period (8:00-8:50) and returned to their home elementary school after their first period EHSO course ends. Students may also be dropped off or walk to their High School for EHSO. EHSO begins on the Monday of the first full week of school. Students need to have the following documents completed in order to participate in the program:

- Completed High School Choice Card
- Completed EHSO Emergency Medical Card
- Completed EHSO Contract with parent and student signatures

There are two Tiers to the EHSO program.

	Eligibility Requirements	Course Student Can Take
Tier ONE	<ul style="list-style-type: none">• None-Open to all 7th & 8th graders	Band, Choir or Orchestra
Tier TWO	<ul style="list-style-type: none">• 3.0 GPA• Proficient or Above on State Required Reading and Math Assessments• Fewer than 12 absences	Band, Choir, Orchestra, High School specific electives. 8 th grade students may take Algebra 1

Paperwork for EHSO is due by the end of May in order to complete transportation routing from Elementary to High School. Deadline for students new to the district is the Friday of the first full week of school. Students are not permitted to enroll in EHSO after this deadline, with the exception of transferring students who were enrolled in the same class/similar program. Building principals, assistant principals and counselors will be able to answer EHSO specific questions. Additionally, EHSO information is located on the TPS website.

FIELD TRIPS and IN SCHOOL EDUCATIONAL EXPERIENCES

Field trips and educational experiences are planned around specific educational objectives related to the school curriculum. Appropriate preparation and follow-up to ensure maximum utilization of the experience for learning is expected.

Before deciding on any trip or educational experiences, the teacher, school principal and district leader will weigh anticipated educational outcomes against such factors as expenses, loss of class time, safety and availability of adequate supervision. The school must provide for adequate supervision. Please note, due to the nature of chaperoning and helping supervise students, younger children/siblings are not able to attend in order for you to give your group your full attention and enjoy the time with your child and his/her classmates. **Emergency Medical Authorization forms must be on file in order to participate.**

HEALTH INFORMATION

Emergency Medical Authorization Forms:

- Each child will be given an Emergency Medical form at the beginning of the school year.

- Please provide at least one other name and telephone number of a person we may contact in the case of an emergency. This form must be on file for your student to participate in field trips.
- Please notify the office immediately if there are any changes to your contact information.
- Failure to provide/ update information will result in the safest decision for your student being made by the Teacher/ Staff Member on duty.

Accidents

We have a full-time nurse, Mrs. Wensink. The nurse or trained staff member will administer initial treatments of minor injuries. The student's emergency contact will be notified immediately by phone whenever medical treatment is administered to a student.. In such cases, it is especially crucial that the school has working phone numbers for students' parents and for alternate contacts in the event that a parent is unavailable. Please be diligent in keeping the school's records for your child up-to-date.

Immunizations

The State of Ohio law (ORC 3313.67 and 3313.671) requires the following immunizations for school attendance. In addition, Toledo Public Schools requires students to have a physical exam and a dental exam for school entry.

DTaP/TD: 5 doses	A fifth dose is required if the fourth dose was given before the 4 th birthday
Tdap: 1 dose	Required for grades 7-10
POLIO: 3-4 doses	The FINAL dose must be administered on or after the 4th birthday
MMR: 2 doses	Required for grades K-12
HEP B: 3 doses	The series must be in process for grades K-12
VARICELLA	2 doses. Required for grades K-3. 1 dose required for grades 4-7

Illness Guidelines:

Please keep your child home from school for the following:

Temperature of 100 or higher; diarrhea; vomiting; uncontrolled coughing that interferes with daily work; uncontrolled wheezing and shortness of breath; yellow or green drainage from the eyes.
Students will be sent home when they have a temperature of 100 degrees or higher.
Students need to remain at home until at least 24 hours fever free without medicine (Tylenol, Motrin, etc.).

LIBRARY BOOKS, FEES, FINES, & RETURNS

Please help your student keep track of their library books if they come home.

While Keyser Elementary School library does not charge overdue daily fines for unreturned books like a public library, we do charge a replacement cost if a book is lost. Library overdue notices go home regularly with your student as a reminder to return their book. Additional books cannot be checked out until others are turned in.

LOST & FOUND

If your child has lost an item, the lost and found is located in the cafeteria and the nurse's office. Please remember to label **all** of your child's items so if they are misplaced they can be returned to their rightful owner.

MEDICATION

Over the counter (OTC) medications are not permitted in school. *This includes cough drops, eye drops, Neosporin, etc.*

When a student is so ill that medication is required, parents should consider keeping the student home until the need for medication is gone. Parents should also talk with their child's doctor to see if the medication schedule can be adjusted so medicine can be taken outside school hours.

A **Medication Dispensing Authorization Form** must be on file in the nurse's office. Both the doctor prescribing the medication and the parent/guardian of the student must sign this form.

A new form must be completed each school year or whenever there is a change in the medication or dose.

Medication must be brought to school by the parent or guardian (or their designee) in the original container and cannot be transported to or from school by any elementary student.

Inform the nurse of all medications your student is taking at home as well as at school.

IMMUNIZATIONS

Required Immunizations:

The State of Ohio law (ORC 3313.67 and 3313.671) requires the following immunizations for school attendance: DTaP/Tdap, Polio, MMR (Measles, Mumps, Rubella), Hepatitis B, Varicella, and Meningococcal (7th grade). The school must have written proof from a health care provider that the immunizations are complete or in the process of completion. Students failing to complete immunizations within 14 days after entering school are not permitted to return to school. **Immunizations may be obtained from your private physician, or the Toledo Lucas County Health Department, Shots 4 Tots n Teens, 365 N. Erie St. Call 419-213-4121 for times and locations. Please contact the school nurse at your student's building for additional information.**

NURSE

Acts as the liaison between school, home, parents, and doctors.

Inform the nurse about any medical conditions, including allergies or of any medications or changes in meds throughout the year.

Inform the nurse of *all medications* your student is taking at home as well as at school.

Nurse Wensink is available daily from 8:45AM-3:00 PM.

PARENT PARTICIPATION

PTO

We have an active parent group that is looking forward to a productive year. Many opportunities are available for parents to get involved at Keyser Elementary. Positive parental involvement aids our students in many ways. We can really use your support at PTO meetings

Dates will be sent home in the monthly newsletter and a reminder notice the day before either by phone or a slip of paper.

BULLYING

Bullying is defined as intentional and persistent behavior that is carried out for the sole purpose of inflicting harm on another individual. Bullying occurs where there is a power imbalance, where one child has a hard time defending himself/herself. Bullying is a form of victimization.

Bullying is:

- Intentional, on purpose
- Persistent, ongoing
- Main goal is to inflict harm or fear over another individual, to gain control or power over others
- Can be done physically, verbally, socially (emotional), or electronically
- Has profound impacts on the school climate and safety

BULLY REPORT BOX/ REPORTING SYSTEM:

Bullying must be reported for the school to address the problem.

Report Forms can be obtained from the office. The completed report form can be returned by returning it to the office. We do this to offer students an easy way to report bullying. If a child believes he/she is being bullied it is his/her responsibility to report the repeated incidents to an administrator or teacher or use the bully box. The school cannot address the problem if no one knows about the problem.

BULLYING VERSUS CONFLICT: Every push, shove, tease, and taunt does not equate to bullying situations. Bullying differs from conflict primarily because “conflict involves antagonism among two or more people. Whereas any two people can have a conflict (disagreement or a fight), bullying occurs where there is a power imbalance, where one child has a hard time defending himself or herself.” Bullying is a form of victimization, not to be confused with conflict. Conflict occurs when there is hostility between two or more people, but then these people have equal power to solve the problem. A certain level of conflict is normal between students. Conflict can give your child an opportunity to learn how to handle everyday problems in a healthy way preparing for life. In fact, students need some conflict in their lives in order to better understand their own feelings, become empathetic, develop appropriate responses to difficult situations, work on anger management, and learn proper behavioral responses in sync with the time and place of the conflict.

DRESS CODE

The TPS District-Wide Dress Code will be in effect for the 2017-2018 school year. All students will be required to follow the dress code.

SAFETY

FIRE DRILLS/EVACUATIONS

The school will have at least one fire drill per month within the school hours. Specific signals and procedures have been established for all types of disaster drills, and safety areas have been designated. Teachers are equipped with instructions, and all drills will be practiced with students on a regular basis. The entire school will practice weather and security lockdowns. During these drills, no one will be allowed to enter or leave the school. Please be patient and understanding of this important rule. Your child's safety is our number one concern.

Dogs & Other Pets:

Please leave your dog and other pets at home during drop off & pick up and other school related activities. Many students and adults are not comfortable around animals; or may have allergies.

PARKING

It is imperative that the parking rules are followed in order to keep our students, staff and other community members safe.

SLOW DOWN

Please follow all posted parking signs at school.

PLEASE DO NOT PARK IN THE BUS LANE!!! This lane is for buses and daycare vans only! You will be asked to move. Please do not allow students to exit the vehicle until the car stops at the curb.

Please keep your car stereo volume **DOWN** while on campus so you and others can hear instructions and for safety

Bicycles

Students may lock-up bicycles, etc. at the bike rack in front of the building. (at your own risk)

Students are asked to walk their bicycles, etc. while on campus and while in student traffic during dismissal.

SMOKING & VAPING

Smoking and vaping are not permitted on school grounds.

TELEPHONE USE (SCHOOL)

School telephones are for official school business and NOT for routine student use. **Students need to know how they are getting home from school before they arrive each day.** Do not tell your child to call home when they arrive at school to let you know they are here or to call home for a ride at the end of the day.

TITLE I

Parents Right to Know

As a parent/guardian with a student attending a Toledo Public School that receives Title I funds, you have the right to know the qualifications of your child's classroom teacher. The federal No Child Left Behind (NCLB) Act requires that any local school district receiving Title I funds must provide the following information to parents/guardians who ask about the professional qualifications of their child's classroom teacher.

VISITORS

All visitors must report to the office upon entering the building, sign-in, and obtain a visitor's pass.

Bring any forgotten school items (gym shoes, lunches, etc.) directly to the office.

Enter through the main doors (you may have to ring the buzzer on the wall).

NEVER enter through any other door. NEVER ask a student/ teacher to open any other door for you. This is against Toledo Public Schools safety protocol.

Please remember that interruptions take away from your child's educational time. As students are only at school for a small part of the day, students cannot be called out of class or class interrupted for non-emergency items.

District Policy (KK) On Visitors To the Schools

To maintain the safety of students and staff and to ensure that no unauthorized persons enter buildings, all visitors must first report to the main office to receive authorization to visit. All visitors and employees must sign in and out. (Authorization is not needed for school programs, assemblies, graduation and athletic events.)

The Board encourages parents and other citizens of the District to visit classrooms to observe the work of the schools and to learn what the schools are doing. Visits should be scheduled with the teacher, in advance, to avoid any unnecessary disruption to classroom instruction or activities.

To encourage visits, principals and teachers may make special arrangements for visits by parents on certain days and occasions, and extend to them a general invitation to observe classrooms at any reasonable time, provided their visits do not interrupt instruction. Visits must be arranged 24 hours in advance.

All participants and spectators of school programs, assemblies, graduations and athletic events are expected to abide by all applicable law, local ordinances, Board policies and District and building regulations pertaining to public conduct on District property.

School principals and their designees are authorized to take appropriate action to prevent and remove, if necessary, unauthorized persons from entering District buildings and loitering on the grounds.

VOLUNTEERING

Please make arrangements with the Teacher and /or Principal regarding an area that you are interested in assisting with.

- **Guidelines:**

All volunteers should sign into the volunteer/visitor book.

You may only go to the area indicated when signing in.

If you need to go somewhere else, please inquire in the office *prior* to going there.

Refrain from visiting classrooms unless invited.

Please refrain from personal conversations (including cell phone) in the hall as this distracts the students and the education process.

We teach our students to nod, smile, or do a quiet wave when they see someone they know. Please do this if you see your child or a familiar student.

District Policy (IICC) Regarding School Volunteers

The Board believes one of the greatest resources available may be found in the citizens of the community who have special knowledge and talents to contribute to the District. The use of citizens as volunteers within the school program enhances the educational process not only for students, but for the community as well. Volunteers may provide additional support in the classroom, promote community-school cooperation in facilitating the learning process and provide for individuals who have expertise in various areas to be used as resource persons.

A volunteer is defined as anyone who is not employed by the District and comes into a school building for the expressed purpose of donating time and energy to benefit students. A volunteer will usually be interacting with students. Whenever a volunteer is on a school campus, the volunteer must wear, so that it is clearly visible, an identification badge. This badge is available in the main office of each school building.

Recruitment and selection of volunteers is done at the local building level. Interested individuals should contact the building principal or his/her designee. The interests and abilities of the volunteers are considered when making assignments.

Volunteers should not work with any student outside the presence of other students and adults. Volunteers may not displace any position in any job class covered by the Paraprofessional Agreement.

Accountability for the program should include accurate record keeping at the individual building level via a sign-in and

sign-out volunteer log. This log includes the volunteer's name, type of services to be provided and hours contributed. School buildings keep on file and maintain, for a minimum of three years, individual volunteer logs.

The District notifies current and prospective volunteers who have or will have unsupervised access to students on a regular basis that a criminal records check may be conducted at any time.

District Policy (GBQ)

The District notifies current and prospective volunteers who have or will have unsupervised access to students on a regular basis that a criminal records check may be conducted at any time.

WEATHER RELATED & OTHER EMERGENCY SITUATIONS

Fire, tornado, and lock-down drills are conducted throughout the school year. These drills are done to train the children in the proper procedures during these emergency situations. Students failing to follow directions during a fire, tornado, or lock-down drill will be disciplined. Please talk to your child about the importance of safety drills, and stress the following expectations with them:

Students walk quietly but quickly, absolutely no pushing/shoving

Students must remain quiet

Students will stay with the teacher and follow every direction

When the signal is given to return to the classroom the children will return quietly.

Safety of our children is always our number one concern. Practicing and seriously preparing during safety drills will train students in case we ever have an unfortunate emergency.

For your peace of mind: Keyser School has a crisis prevention/intervention plan in place to address any threatening situations to our students or staff. Please know we have and will continue to take every precaution to ensure the safety of our students.

Emergency Evacuation

Keyser Elementary has a site specific response plan in place in the rare event that it is necessary to evacuate the building.

- Students will be moved to a designated, secure location based upon our response plan. Students will remain there until the emergency situation is resolved.
- Students will **not** be released from the evacuation site.

School Closing and Delays for Inclement Weather

Toledo Public Schools has a School Delay policy when the weather is severe. This policy will allow TPS to delay two hours instead of closing right away to see if weather conditions improve enough for students to come to school. A 2 hour delay can change to a closing, so please keep watching the local news and listen to the radio.

When there is a 2 hour delay, the schedule moves 2 hours back. NO BREAKFAST

- Doors will open at 10:45 a.m. and end at the usual time.
- The information can be heard by listening to local TV, radio stations and social media.
- Do not call the school or drop off your student, as school personnel will not be in the building.
- It is a good idea to make childcare arrangements at the beginning of the year for delay day situations so you are not caught off guard.

Severe Weather Procedures

- **Tornado Watch**- Precautions will be taken at school, but children will be dismissed at scheduled times and instructed to go directly home.
- **Tornado Warning**- Stations have been established in the building for each classroom. All children will be kept in protected areas until an all clear is sounded even if it is past the regular dismissal time.
 - Parents are discouraged from coming to school to pick up their children for the safety of both you and your child.
 - Do not call the school. Telephone lines should be kept clear for emergency use.
